Sirs:

Please inform me if it would be possible to obtain a copy of the Scientist and Citizen special issue of August-September 1967, entitled "Chemical and Biological Warfare." This was Volume 9, number 7. The journal was subsequently renamed Environment.

If they are available, I would like to know the price for the single issue and also the price for the entire Volume 9.

Thank you for your trouble.

Respectfully,

Paul F. Cecil
