Summers says the Tet offensive of 1968 was a
strategic surprise, despite the fact that it should
not have been.

Palmer, Dave Richard, Summons of the Trumpet: U.S.-
Vietnam in Perspective (San Rafael, CA: Presidio Press, 1978)

says the US leaders were the "victims of their
own sturdy optimism" p. 69.

W. Scott Thompson and Donaldson D. Frizzell, eds. The
Lessons of Vietnam (NY: Crane, Russak & Co., 1977), 108
says the '68 Tet offensive "drove a wedge" between
the "optimistic public pronouncements and the realities
as seen on American television."
