DETACHMENT A-242
5TH SPECIAL FORCES GROUP (ABN) 1ST SPECIAL FORCES
APO US Forces 96499, Kontum Vietnam

3 April 1966

SUBJECT: Request from Detachment A-242 for Defoliation Mission

TO: Commanding Officer
Det C-2, 5th SFG (Abn), 1st SF
APO US Forces 96295
Province Chief
Kontum Province
Kontum, Vietnam,

INFO: Senior Advisor
24th Special Tactical Zone
APO US Forces 96499

1. References:

a. Map sheets 1:50,000, Vietnam 655 XI, 6556 XII.

b. Letter, Detachment A-242, 5th Special Forces Group (Abn), 1st Special Forces, APO US Forces 96499, dated, 19 March 1966. Subject: Request for Defoliation.

2. Reference 1b is a joint USMC/LRRP request for the defoliation of areas adjacent to Detachment A-242 (Vietnamese Detachment A-115), Dak Peh. The justification as stated in reference 1b is highly significant both militarily and in the field of Civic Action.

3. If approved, a psychological operations program can be conducted prior to, during, and after the defoliation missions to ensure that the people in the area understand the necessity and importance of defoliation. The benefits to be derived by the people themselves can also be pointed out as a main theme.

4. Defoliation must be accomplished 30 days prior to the start of the rainy season. The necessary clearing and cultivation of the defoliated areas by the indigenous laborers cannot progress during the rainy season. This means the mission must be urgently expedited and flown within 30 days. Concurrent planning for the Civic Action/Psychological Operations aspect of the mission has been initiated by this unit.

GROUP 4

Downgraded at 3 year
intervals; declassified
after 12 years

5. Because of its isolated location, Movement A-242 has been assigned a priority one classification to expedite the timely receipt of necessary logistical and support requirements. This defoliation mission is of vital importance to the strengthening of the camp and should receive the highest consideration.
