J. N/A	J. 9 hits automatic small arms at XT 967 103. Daily FRAG is evidently not being passed to those agencies directly concerned with the mission. Paddy Control was unaware of mission 95544 until aircraft showed on scene. On Mission 95545, Paddy passed erroneous EDVZ coordinates to the Ftrs, Call sign Saber 31. Ftr also was not notified in advance of mission and was quite concerned. Ftr, Call sign Beaver 79 requested that these discrepancies be brought to notice of TACC.
