

al Ranch Hand Flight Path (orange line) as represented in the HERBS file

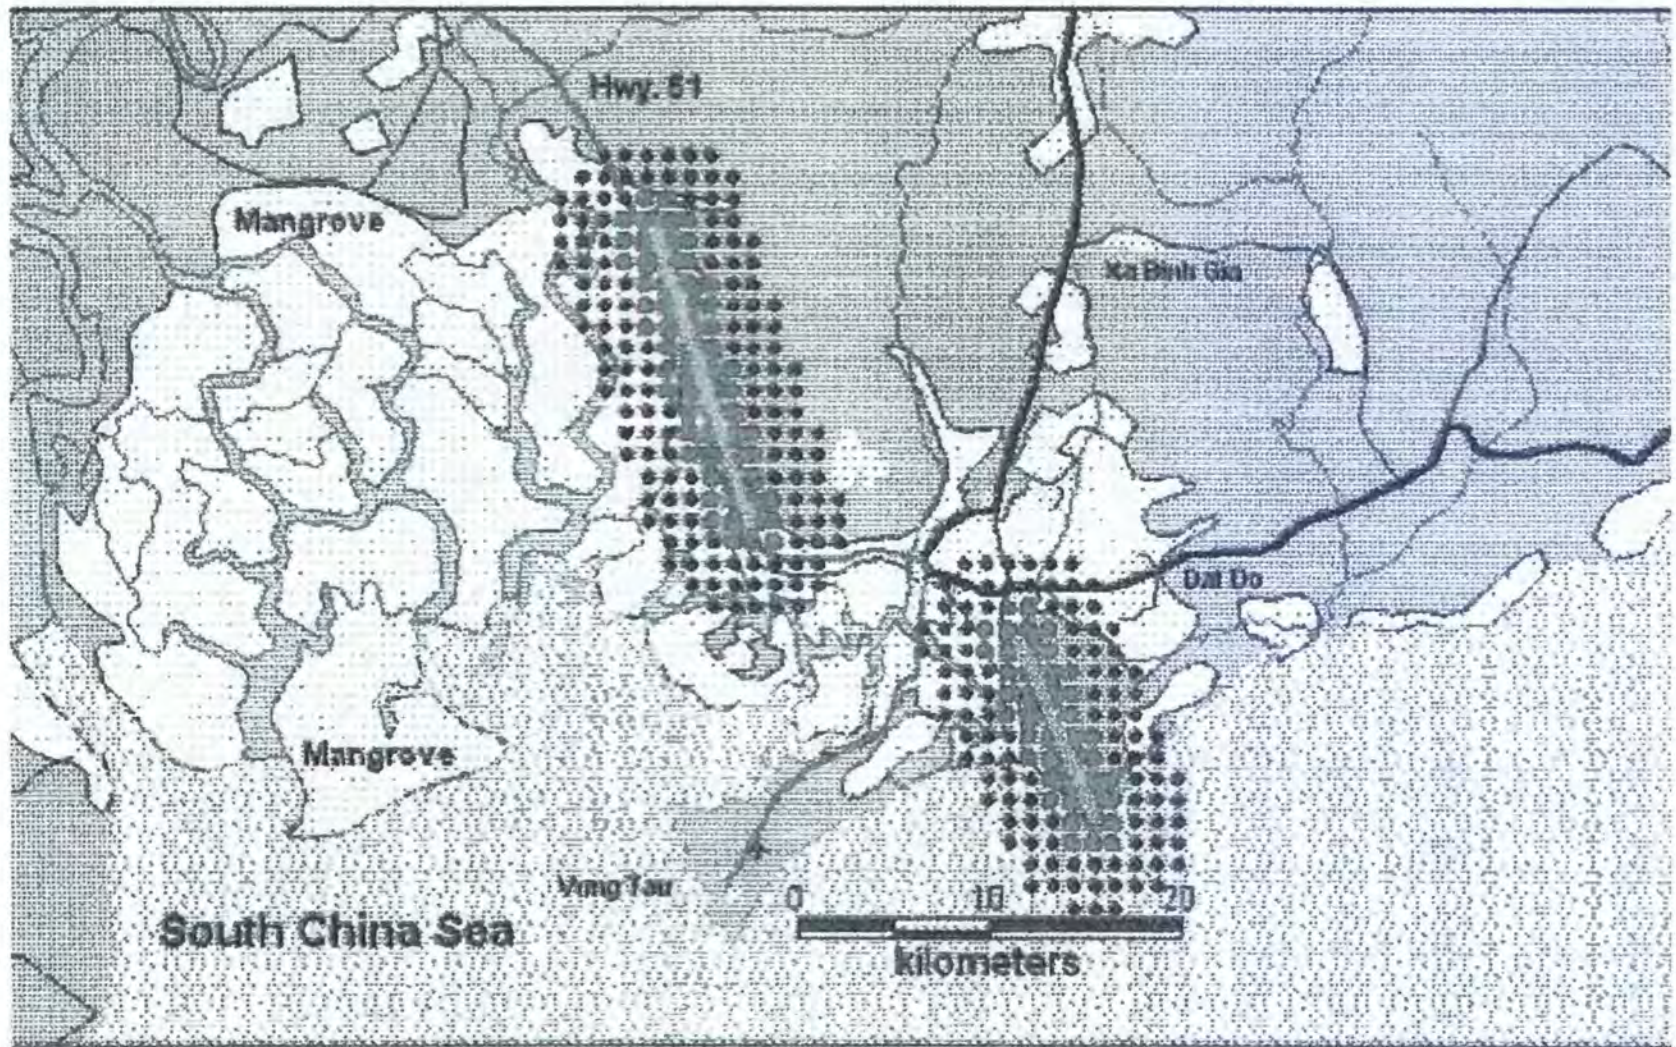

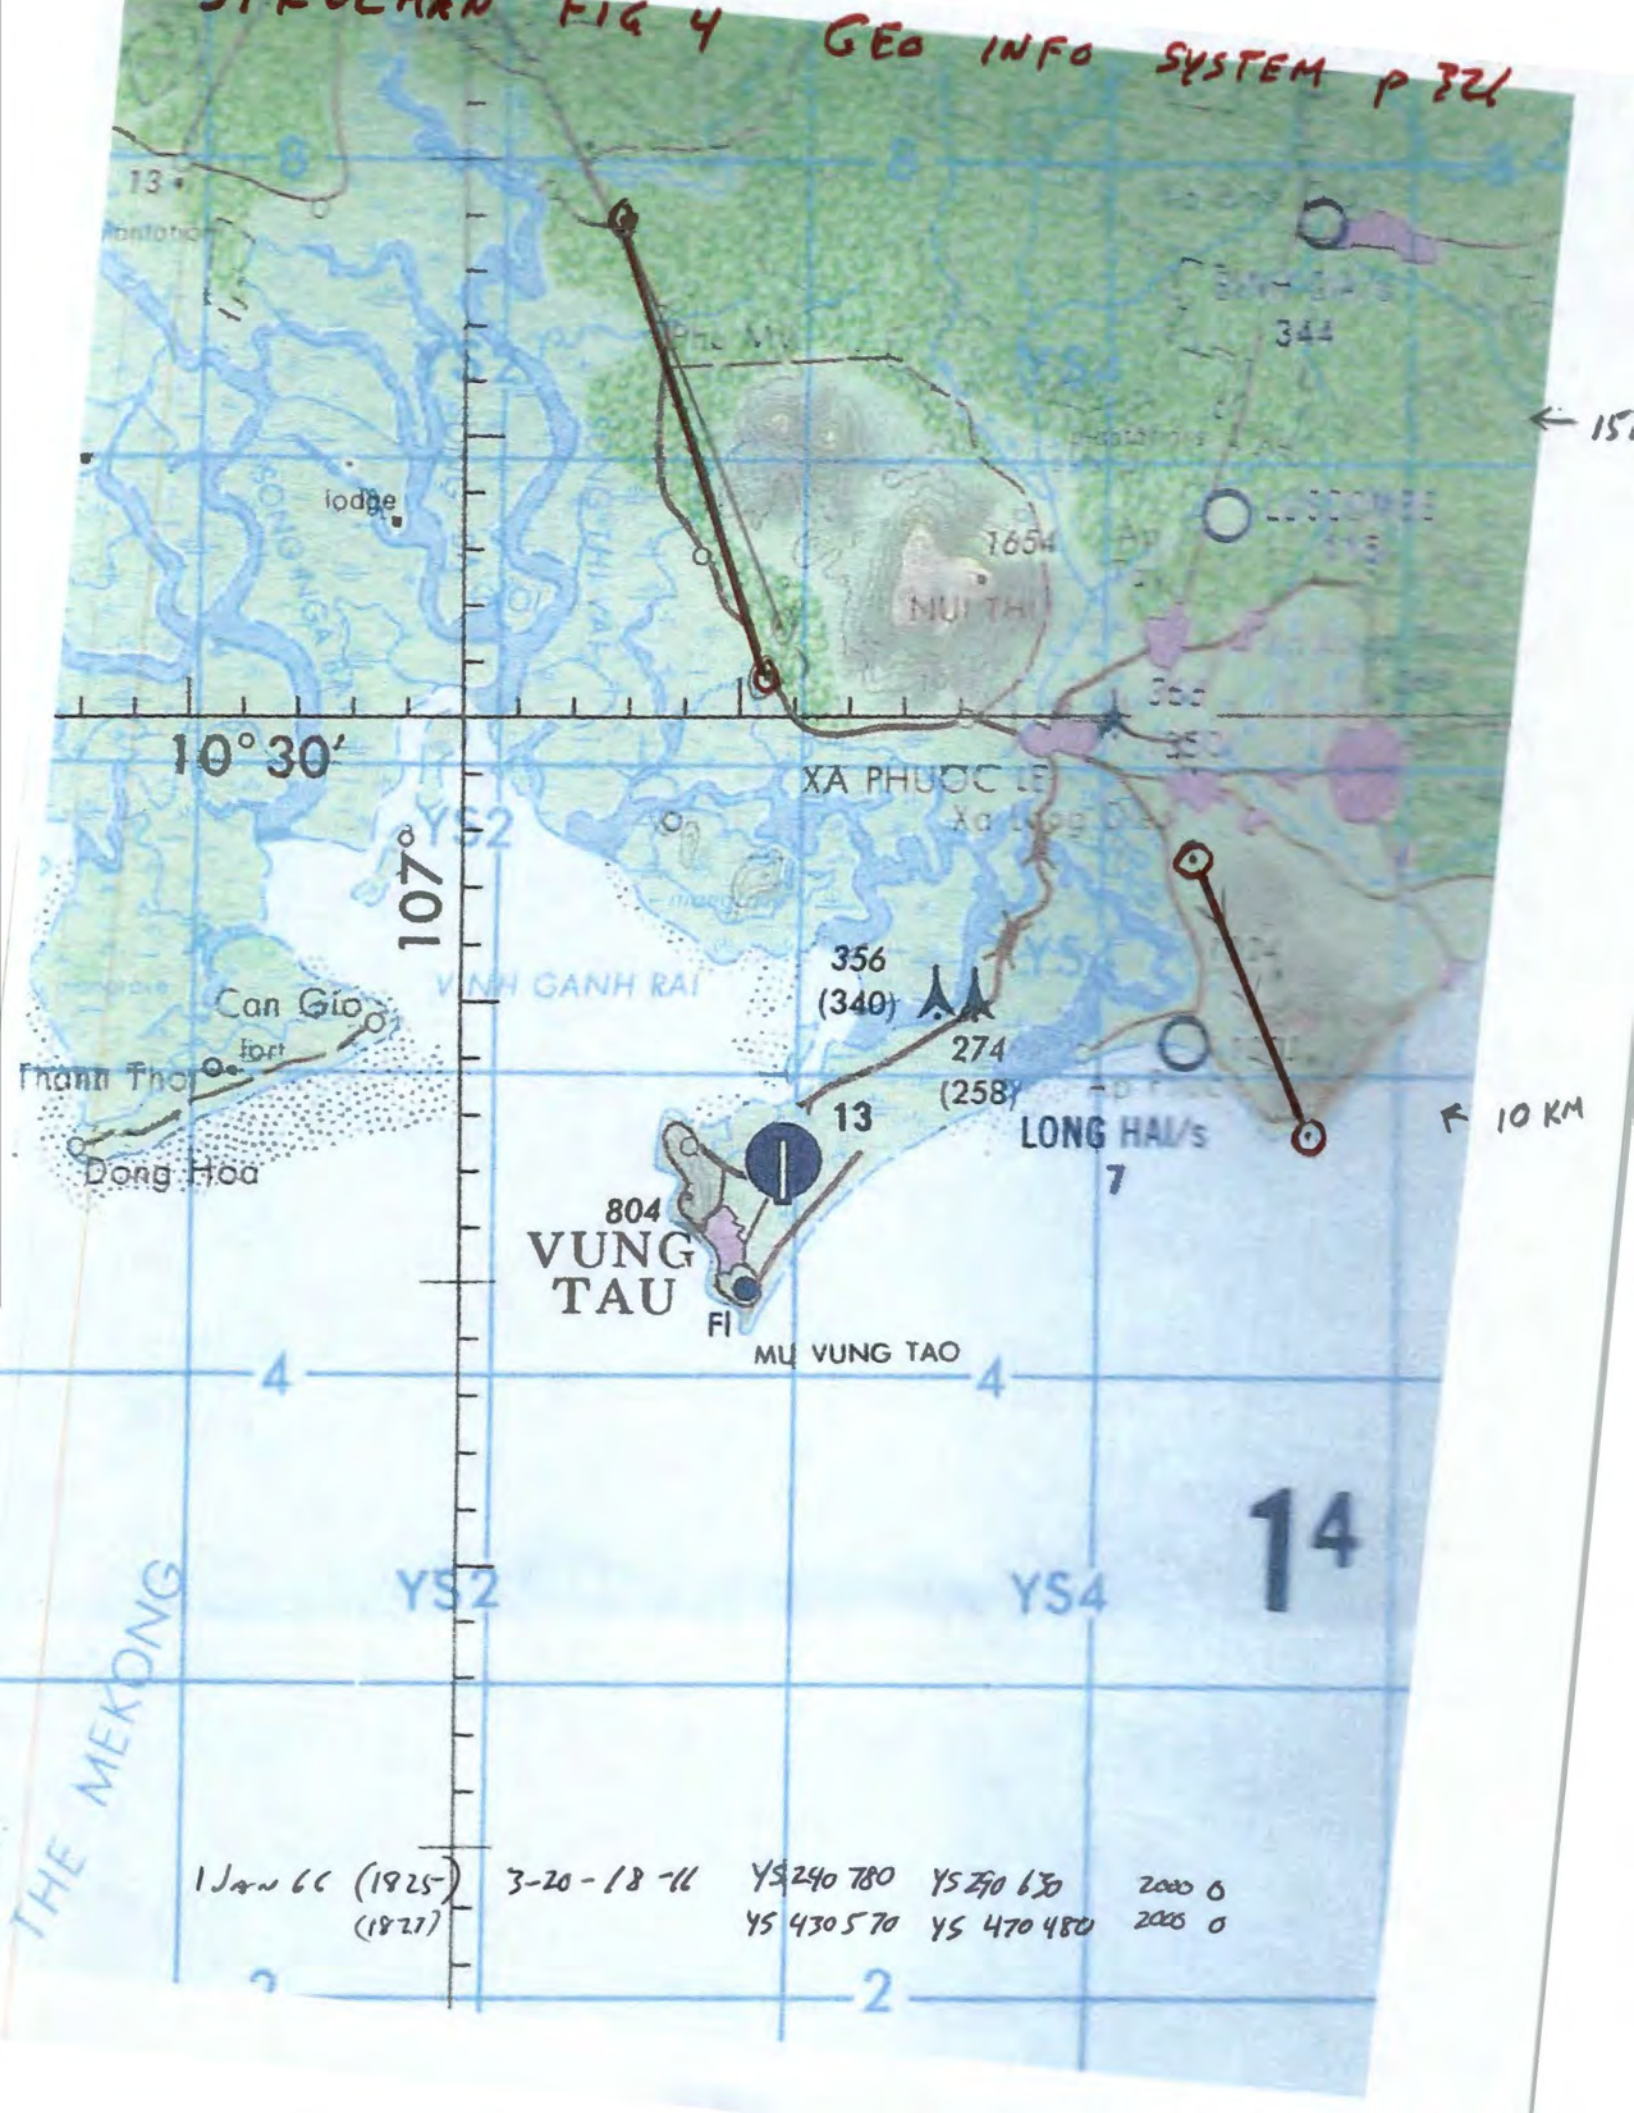

Figure 4. Two Agent Orange herbicide missions (shown as orange lines) flown 1 January 1966 in the Rung Sa Special Zone. The figure shows all grid points whose centers fell within 5 km (small black dots) of the flights. Blue, green, and red dots are centers of grids that fell within 2, 1, and 0.5 km, respectively.
