Summary 6 Sept 69 (cont'd)

Movement of indigenous personnel in the area indicated complete surprise. The LT was called (no backhills fire) and the PU personnel moved in rapidly as the two rifle companies established a cordon of the target hamlet. Two Viet Cong Infrastructures were captured. Negative intensity on enemy movement. A Troop 1/1 Cav was placed OPORD to the Battalion and were on stand by to react if a reported VC platoon (30 men) were in the area and heavy contact was made. Troop night logged at the base of the backhills.
