I'm so glad to see you again. I never forgot that I had met you at the border and I see you every day but you never see me! I miss you and your family very much. I don't know when we can see each other again.

How is your family? My family, here, is keeping well!

I'm very sorry that I couldn't chat with you because I'm busy to work hard, any way I can't speak English well. Please don't mind about this. I would like to wish you to be happy as long as you live!

I look forward to seeing you all the time.

Faithfully yours!

Don't mind me because I can't writing very well!

I hope to see you soon

Don't forget me

Don't forget to write a letter to me!
