Dear sister, brother and my little
Kim & Kelly.

How great pleasant and thank
to Lord after receiving your letter dated
24 Sept. 1981. We just received it only this
week. I am a difficulty to use Dr. Venet address.
Because he has trouble with Thai authority.
It is appreciate if you could use the use
address before we leave Thailand.

All in our whole family we are happy
hearing that the destination changing had
been made. Living in Arizona we believe
is right quiet. And our project will be succeed.
We miss Gary, Sandy, Kim & Kelly very much.
We believe that very soon we will stay all
in the same place and work fulfill al-
together our God way. We never forget our project.

However our family here, in the camp,
seem normal like another refuge, but ^{spiritually} differently.
Everybody have good health. My brother,
spondilitic operative condition is improved.
Paul, he is growth up every week, in contrary
Teresa she seem loss ^{to} weigh. My father he is
well, going the school daily. It is not evident
assuming that Robin M. Dorman came to see
you and discuss altogether such problem. Please
share love to her also.

Let me finish here and I'd like to meet you
again in the next letter.

Love You all

We always follow our God project.

Francis
&
Tony.

Whereas here the situation is the same a changing and differentiation of before is we have a new baby (named him Paul Samdara), born on 3 August 1981.

And again my father is already moved from Mairut to Transit Center reunite all together. And happen? His file is going directly to States whereas our file to Phillipine. But he is hanging up we he has no yet assurance.

American Embassy Bangkok will reunite file and my file together and we hope travel to U.S. but only they said wait assurance.
