Dear Joe Montella,

To day I heard a big problem to underline yesterday, a representative of ICRC at Bangkok told me (when he came to meet me at Khao I Dang Camp) that I never can immigrate to US in spite of I had a sponsor from family in U.S. The spokesman of ICRC told me that he went to meet representative of American Embassy whom answered no permit the Van Saria group to U.S. "Impossible".

Brother, when I heard this news my heart become trouble. Can I join you? Or U.S. extremely shut for me?

The U.S. member's embassy at Bangkok know me very well I think. May be God don't allow me to join you and our friends at U.S. - This world is not opened for me. You must know U.S. Embassy has been against GARY.

However, I must find another way or I must put my request to FRANCE that I never thinking about there!!

Please answer quickly to me and don't forget tell this news to GARY too.

All my love -
From your brother
FRANCIS
