THE EXCLUSIVE COLLEGE WEEKLY

SERIES A

CHAMPAIGN, ILLINOIS, FEBRUARY 27, 1942

NUMBER 15

On the Q.T. by J. D.

A brief pause for a final gasp for air and now to press—Bibs Miller, ATO hockey flash, left for the Great Lakes Training station yesterday to join Brother Cuts Schram, Pa. street lad who went up to the Windy City at the end of the semester . . . It's reported that Bob Eisner, Beta town boy, was deeply hurt when Boots Green, Chi O brunet, took the Theta Delt badge of "808" Blum . . . Bud Nichols, DKE, has decided to more prosperous fields since his withdrawal from the Gamma Phi house with Helen Frese, the lad hitting the spots lately with Ann Griffith, Theta . . . Incidentally Ann has a DKE pin of Pete Moore, Illini of last year . . . Nevin Kendall, big Indee politician, went right ahead and got his Headliner's Hop date even before the lad got a bid . . . A few people would like to know if Betty Rhodes, Alpha Xi, and Lew Turk, Indee, are still locked in warm embraces . . . A few of the readers are no doubt wondering who the glamour gal is on this page . . . Well, guys and gals, it's Dinah Shore, torch singer deluxe, who says "Men—if you want your gal friend to win a free skirt and sweater, don't forget to get down to THE HEATHER and vote for your favorite listed at bottom of the page." Guys, if your woman will end up looking like Dinah, be sure to help her win that skirt and sweater . . . Dave Miller, Beta, and Nancy Nicoll, Alpha Chi, will be married probably in August from reports over at the Lincoln Street mansion . . . Connie Barnes, KKG, traveled to Chicago this week-end to see her Phi Delt love Bob Wilson . . . Ruth Meyer, AOPi, and Les Frailey, Kappa Sig, are back together again after separating the bonds for a week . . . Attention Toddie Norlin, who is reported to have almost asked Les for a coke date in the library after Ruth and Les came back together again . . . Rain, hail, sleet and God knows what else will still not stop the pep rally at the auditorium at 5 p. m. today for the Illini cagers . . . The gang is requested to bring all the bells or noise (Continued on Page 3)

BEAU AND A BELLE

by Jan Ramey

About the most-talked-about couple on this campus of ours is Barb Smaus, Theta's tall brunet beauty, and Dick (Dictator) Knowles, PiKA fencing captain. The noteworthy pin-hanging of these 2 in the KKG mansion took place between semesters when most of the students were resting from exams, Barb and Dick staying down in Chambana and you see what happened. Barb hails from Downer's Grove and is a junior in the Art school, having transferred from MacMurray last fall. The gal goes in for sports in a big way, as does her tall blond mate, enjoying horse-back riding and swimming the most. Barb plans to devote her future to the family and to dress designing, which makes us mention the fact that this coed gets our vote as the flashiest-dressed gal on campus with her frequent checks and plaids.

As for the Dictator, we might say that he was fencing captain last semester until finals caught the lad. However, the blond demon still plays a mean game for the house in intramurals, participating in basketball and baseball in the spring. Dick, who hails from Chicago, has a string of honoraries a mile long, so will mention just a few. He's the big boy in Blue Pencil, is one of those party boys in the Band of X, is a member of Tomahawk and Sachem. Dick traveled to camp last summer after a year in the advanced ROTC ranks and will receive his commission in the field artillery in June. He hopes to make foreign trade his vocation after Uncle Sam deals out the hand.

INDEE NOTES

By Phyllis Fish

Lois Doran, Indee, gave Bob Fisher his MRH pin back recently, and it hadn't been in her possession very long . . . The two politicians, Martha Hiett, Sager House cutie, and Bob Sanborn, Beta, were seen out doing the town last Saturday night after Friday's successful election for Martha . . . College Hall proudly boasts the new freshman president, Owen Ooms . . . The Phi Sigma Kappa house dance was turned down last Saturday night by three girls who preferred the dance—or the boys—at the new Men's Residence Hall . . . Mary Jane Zipprodt, brunette beauty from Busey Hall, certainly seems to hold the interest of Joe Cook, Indee . . . Last week-end Millie Ramp, Gamma, was visited by her pin man, Bob Pelz, who is from Chicago . . . Ronny Nystrom, Theta Chi journalist, has found his latest interest at Vesta House—and a very attractive interest at that—in the personage of Carolyn Ringerberg, a transfer from Normal . . . A very interesting triangle of two boys and a girl is Ken Menke, Sig Nu basketball star, Harry Green, Men's Dorm, and Carol Hedrick, Davenport House—May the best man win . . . Overheard at the 608 was Vic Wukovits making a date with redhead Pat Malek, Busey . . . The proud possessor of Bill Funk's diamond is Pat McDowell, McKinley Hall. Bill is an alum . . . The gals at Werner Hall have been having a gay time performing post mortems on a poor little goldfish and a mouse; amidst wails from the onlookers Hazel Bothwell and Isobel Miln did the dirty work. 'Tis said the goldfish died of overeating . . . Another of the many MRH pin hangings is that of Riva Schwartz, Evans Hall, and Herb Sorkin.

The Presby cutie, Margaret Bonadurer, proudly wears the honorary frat pin of Lloyd Strong, singer with a local orchestra . . . Dorothy Botteron, Busey, seen in the company of Tony Buctkovitch, DU football hero . . . 'Tis rumored that blonde Helene Armagost, McKinley Hall, may take back the Beta Kappa pin of Jim Korecky—we wonder . . . Another Valentine wedding that I forgot to mention last time was that of Mary Ann Skales, Werner Hall, graduate of this last semester, and Lt. F. W. Hendricks, who is in the army air corps, Randolph Field, Texas . . . Don't forget to see "No, No, Nanette," the Woman's League show that is coming off this Saturday night . . . Skull house is no longer in the running for Marty Phillips, Presby; the latest is Louie Penderski, PIKA, who was chairman of the All Illini party.

sources they can to the rally to send the boys off in real style . . . The gang will go to the IC station from the Aud. and watch the cagers leave at 5:30 . . . Heed the cry of Kaptain Klean, folks, and do some real saving on rubber and gas and on the weekly budget . . . Did you notice the special White Line offer . . . Then look! . . . Rumored Carl Reilly, Sachwa House, spends a lot of valuable time wondering where Eleanor Bushee, Indee, spends her Sat. nites . . . Why not date her and see . . . Steve Gusick, SAE, is still burned about the way his Murphysboro guest, Helen Marberry, treated him last week-end by not taking in the Frolic with the lad but by going with another Illinois love to ruin a whole week-end . . . This ed would like to state that Bill Brewer, Skull, is dating Eleanor Williams and not Ginny Johnson in the Tri-Delt domicile, as printed earlier this week . . . The Betas took a cage road trip last week-end thru Indiana, playing the other Beta chapters at Washash, DePauw, and Indiana, and came back with good reports about the Hoosier state . . . Some people wonder how much politicians Mildred Roberts, ZTA, and Bob Llewellyn, Psi U, have in common besides political dirt . . . Rosalie Newman, DG pledge, has decided to go steady with one of the Illini wolves after going with Jack Christison, Alpha Sig now in air corps, for five years, Jack leaving campus at the end of last semester . . . Nancy Thuman, Gamma Phi, is still on the line in figuring out who the best man is between Abner Townsend, Kappa Sig's deep-throated tenor, and Bob Karracker, SAE town boy . . . Make Cal Shull your host at the MIDWAY this week-end and try those hamburgers and shakes for added enjoyment . . . Theta Delt Ben Benson is still continuing to burn the heart of "Alabama" Morgan, Delta Zeta, despite numerous set-to's . . . Don't forget that Indee Informal March 13 with Russ Morgan supplying the jive for the occasion . . . Tickets go on sale next week . . . Ralph Nadin, Indee Phalanx flash, and Helen Esson, have definitely tied the bonds (Continued on Page 4)

COED'S LAMENT

Twinkle, twinkle, little star,
You're lucky being where you are.
You just sit there in your seat
While I must walk with aching feet.

My shoes are short—perhaps they're tight,
In any event—they don't fit right.
Can't afford shoes that won't make me holler
All I can pay is four or five dollars.

Dear little Coed—you should get wise,
There's a store in town that's advertised
"Shoes made to sell up to \$10.00 a pair"
Can be purchased for four or five dollars there.

Perfect Quality—Nationally famous makes,
Factory surpluses—in any width you take,
Newest styles and materials, sizes 2 to 11.
Buy a pair and you won't envy me in Heaven.

with the announcement of their engagement . . . "Junior" Noth, smooth Chi Psi, is reported to have aced out Maurie Gould, Beta blond bomber, in the Alpha Phi league with Joan Anderson, but what about smooth guy Dan Dolan, Sig Nu, who maintains that he's the one and only in that league . . . Have you tried the two party rooms at the Annex . . . if you haven't, make a reservation for one of those week-end parties immediately . . . Bill "Baby Face" Weaver, Theta Chi, wants it known to the campus that he doesn't even give a Cagle Hall glamour gal the tumble but that he does all his night work in the Chi O mansion . . . Harken you fems . . . The fraternity brothers of Jay Thomas, SAE, would like to know just who the tall gangling lad goes for between Barb Martin, Theta, and Ann Richmond, Chi O . . . Call 4444 and make sure that Bresee Bros. take care of all the cleaning and do it in the most economical way possible . . . Larry Frazee, Skull politician, started to walk off with a trophy from Welsh House the other night but returned the prize when the women pleaded with him as only a woman can plea . . . Phyl Mount, Chi O, came down with the measles Wed. and had to travel to her home in Antioch to take it easy . . . It's reported that Emile Tonsberg, AOPi, grew quite red in the face the other day when one of the sisters yelled a greeting to her date, thinking it was Jack MacArthur, gridder, but found out it was another Jack . . . Nothing like having one of the sisters or brothers fix you up . . . Grace DeVries, DG blond, has been writing steady to a home love in the air corps by the name of Bill and has been putting plenty of oomph into the epistle despite the fact that she has a swell lad in Brad Blount, Phi Delta, who may soon turn the tables on the light-haired damsel . . . Have you tried those Twenty Taylor steaks or cocktails after a late show or dance . . . Try the pair tonight and give your date a treat . . . Lonesome Earl Boling, Kampus Klan, has finally found out that the Illini women never take a last-minute date . . . It's Garber's Dry Cleaning that has the campus talking . . . Jack Flachmann, Kappa Sig flash, seems to be making plenty of progress in the Chi O league with Ginny Eilert after Bob Grant stepped out for three weeks . . . FLASH—Those BMOC's and BWOC's who were lucky enough to get bids to the Headliner's Hop, don't put off another minute in trading your bid in for a ticket at the Illini Union . . . The big feature of the dance, the Sweater Girl contest, is an attraction that no one should miss, and God help the judges, or God bless 'em . . . —30—
