The conclusion of the Easter vacation (?) brings to the fore the annual "scholastic round-up", there remaining but twenty-five school days before final exams are thrust upon us and forty-two short days till the diplomas are handed out.

The ol'e campus took on the summer school atmosphere as nearly four-fifths of the students left for their home town Easter egg hunting contests and also to renew their love-life with the local suitors. Mr. Kamerer

enjoyed a restful week-end as he closed for the duration of holidays, but no doubt will have a record crowd in the Annex today.....Saw Dick Knowles, Pi Kappa Alpha handsome lad, with Barb Smaus, ex-Theta Pledge, in the Windy City browsing around the furniture department of one of the well-known stores.....the weather taking on plenty of sunshine Saturday afternoon brought to life a big picnic at the Poly Wogs near Danville....Perry Huie, Phi K S pin man of Frances Johnson, Presby Hall flame, took in a big swim with his date "Ket" Smith, Pi Phi town girl .....Ray Jarlen, Skull lover, also enjoyed the cold water with Jean Lovejoy...Ray wore a football helmet for protection against any assaults that might be made.....Al Lundahl, Phi Gam, now wears his pin once more and has taken to the open field with Ronda Mann, Gamma Phi attraction.....John Hayes, Phi Delt golfer de-lux, entertaining Sally Jean Turner's sister Saturday and Sunday .....see you at Bunny's in Urbana for a beer and fun as only you can make it .....

Pin Hanging.....Gamma Phi's pledge cutie Jean Kehoe accepted the AKL badge of Boyd Barrick after seeing how serious they were getting.....Jo Anderson, Alpha Phi, went home for Easter to meet her true love so consequently Maurie Gould, Beta physique man, was left in the lurch. Page Fox, Kappa, doesn't realize what a friend she has in Jo after a long serious talk with Maurie Wednesday night Jo convinced him to renew his loveship with Page....

.....Drink a tasty bottle of YE TAVERN BEER and get in shape for Spring picnics.....Chuck Hawkins, Delt, and brother Fred, Delt pledge threw a big party in Danville or'e the weekend with Peggy Graham and Joan Christy, both Pi Phis.....Carl Meyer and Bill Giachetto got skonked in Springfield, Ill. while on a stag party but found time to pick-up on their wolfing where they had left off.....Matt Busey, Phi Delt and George Miller's right hand man, tossed a big party for Nancy Shaver at the Edgewater Beach.....George Hill, Beta pin man of Ruth Jane Hicks, really picked a good one while in Chicago.....Fran Huntoon, Kappa, received two baby chicks from Ed Murphy, Beta....one green and one red.....

Hi kids, hope everyone had happy Easter Bunnies. Easter time at Illinois is usually the time when everyone goes out with everyone else's girl... ..Lets see what happened this time. Clyde Wiscamp, Kappa Sig pledge, had rather a complicated week-end with two women in Belleville but came out pretty well as he was wearing the ACPi pin of pretty Betty Neal and they are now going steady.....With that warm weather back lets get that old gang together at Lou Hodge's 608 Club.

John Jacobsen, SAE flash, was either inebriated or stood up Saturday nite as he failed to show up for a big party in Effingham..... However, Juanita Woody and her pin man Bob Piggott along with Bob Blomquist ATO did very well without him and had a royal time. ....Arky Harris joined the Belleville party with Sis Otwell while Chuck King, who showed up a little late Sunday, made up for the week-end with Audrey in one day..... Thetas, DKE, and Kappa Sigs practically had an exchange week-end with a day picnic and various meals..... Remember to get those Easter frocks cleaned at Bresee Cleaners....4444.

Billie Tuttle, AOPi queen, didn't take very long to get back in the swing of things after her steady Phil Mason left for the navy....He left at 6:00 and she was out with pretty boy HENRY Dietrich at 7:30..... Dotty Gillick, Kappa lovely, formally announced her engagement to Johnny Drish at a reception at her home in Evanston..... Ginny McCance, Chi O of last year, was in town over the week-end for a little of last year's loving..... Its time for Spring cleaning....Give your watch a Spring cleaning at Norman-Anderson..... Bill Zeppenfeld, Chi Phi glamor boy, is still trying to get a date on the Illinois campus.

**MAN of the Week**

by  
ME ...

"Fore"! And you'd better take heed to the danger call of the golf course because the outstanding man on the Illini Golf Team, and captain, too, will come down the home stretch every time with a par or sub-par round. He's a great player and a heck of a swell guy... that's John T. Holmstrom, Jr.

John and Ross Reed, a Beta fraternity brother and fellow team member, started dubbing the little white pellet around the fairways of the Rockford, Illinois, Country Club at the age of seven. Winning the city championship when he was fifteen was a great accomplishment, for you see, Rockford is the town where champion golfers are plenty thick and the competition is extremely rough. Also, when he was a strapping youngster, the trophy for coming out on top in the Western Junior Tournament rested under his 30" belt.

Last year the Illini golf aggregation ran off with the Big Ten championship for its second successive year. John has finished third in individual play both years.

One of the best dressed men on the campus and yet he hasn't cast a wistful eye in the direction of any of our more attractive coeds. He likes the air of personal freedom and therefore can not settle down on the porch swing of sorority houses. However, with the balmy weather and the birds and bees in the sky once again, it is doubtful whether he can hold off much longer here's a handsome man for some lucky girl. ( His draft number is so high that it has been given up for lost several times.)

A Commerce student and a member of many honoraries, such as, Skull and Crescent, Schem, and MaWanDa. Besides golf, John is an excellent bridge artist. In his fraternity the money matters are kept well-balanced by Mr. Holmstrom as he is Treasurer. Number one on the golf team and number one man of the week.... that's John Holmstrom!

ME AGAIN ...

A very versatile young lady from Chicago in that she lives in both south and north sides of town...her residence being with two sisters. Kay Younger, lovely Tri-Delt, who is active on the Student Alumni Board, previously having a Junior job.

Kay entered the ol'e U. of I. with the intentions of going into Pre-Med and specializing in pediatrics. However, she is now in the L.A.S school and majoring in psychology with a minor in social administration. Last summer was spent at the expense of several millionaires in Chicago. Kay received loads of experience in taking care of their children which will help her in personnel work. This type of work will take up her time after graduation seeing as her man, Bob Burton, Phi Kappa Sig, will become one of the many in the army. This combination has been going great guns for three years and they intend to wed as soon as possible. It all depends upon the army, as per usual.

In fashions and styles a girl dressed in a suit is the light of her eye. High heel n' hose of course are essential with the outfit. But, as Kay sez...you've got to be comfortable on the campus so sweaters and skirts serve the purpose. Designing her own formals is one of her many hobbies. Sloppily dressed people are her pet peeve.

High school days were spent in the state of Iowa where she was the editor of the school paper and gathering the scandal was her speciality. Her school mates chose her as their May Queen as she truly reflects on our campus.

The favorite spot in town is the Midway. She likes the hot chocolate as served there. Although, picnics probably out rank all others in her "likes", but, then, too, Senior Ball night is a great highlight. Bob no doubt makes this very exciting for her.

Her sorority sisters have elected Kay as their Personnel Director and in this she takes much pride. The girls will vouch for her ability and good work in her duties!
