Dear Jim:

Many thanks for your letter of 15 October.

I'm delighted that you have been assigned to the RVN Infantry School and that you are enjoying your work. You are ideally suited for this, and I'm certain will make an outstanding contribution in the accomplishment of their mission.

Congratulations on making the top 5% of your graduating class at Hampton Institute. I would have been proud to attend your graduation but understand the reason for its cancellation.

Take care of yourself, Jim, and best wishes to you and yours for continued success and happiness.

Most sincerely,

RICHARD T. KNOWLES
