Mr. Henry Higgins, Jr.
Division Forester
Division Forestry Office
Duke Power Company
Great Falls, South Carolina

Dear Mr. Higgins:

Thank you very much for your letter concerning the availability of lots for lease at Lake Wateree.

My situation has changed since I originally submitted the application to you. Consequently, I must forego pleasures of this sort for the present and ask that you remove my name from the reservation list.

Again, thank you for your efforts on my behalf.

Sincerely,

RICHARD T. KNOWLES
Brigadier General, USA
Assistant Division Commander

We are happy to offer you an opportunity to lease a lot at Lake Wateree. There are available several lots from which you may select.

As the first step in selecting a lot, please visit my office during the week of 2/1, 1965, through 2/8, 1965. It will be open from 7 AM until 5 PM, Monday through Friday.

This office is located in Great Falls, South Carolina, at the northerly edge of town. It is on U. S. Hwy. 21, about one block north of the intersection with S. C. Hwy. 99.

You will be given instructions, maps, information and other aids to enable you to visit the available lots and make a selection. After that, your selection will be self-service. We believe you will like this self-service feature because of the freedom it will allow you. You may wish to take your family or friends along to look at the lots, or perhaps even spend a day of browsing and picnicking. It will not be necessary to make a selection the same day you contact us and you may wish to delay the selection a couple of days until a time that is more convenient to you.

The opportunity is extended to a limited number of people each week according to their numerical position on our reservation list. If you are unable to contact us in the week designated above, please let us know and you will be given another appointment in the near future.

Very truly yours,

Henry Higgins, Jr.
