Dear Jim,

Attached is a check for \$10.75 to cover the cost of the two books you ordered for me. Thank you very much.

I'm glad you are enjoying your CV-2 training and trust your journey to Viet Nam will come off without a hitch.

I've completed the H-13 training under the able eye of Wayne Knudson and am now flying the Huey, which I think is a tremendous bird. While it is a lot of work and very time consuming, I'm enjoying every second in the air.

If things go as planned, I'll be at Rucker on 8 June to address a graduating class, and also I expect to take a few hours of maintenance on the Huey at a time yet to be selected. Consequently, I should see you before you head overseas.

Sincerely,

RICHARD T. KNOWLES

GENERAL KNOWLEDGE:

HERE ARE the two books that we ORDERED; they just came in. The total cost is \$10.75. The smaller book being 3.25 and the larger 7.50.

I HAVE completed about 5 hrs in the CV2 and really enjoy it. The aircraft seems most durable and dependable - all systems are well engineered. I will ARRIVE in Viet Nam in early August; will drop you a note with all the local situation.

I am sure you are still enjoying your flight. I bet you are getting closer to the Hue every day.

Happy Landings!

Jim Jumper
