Dear Mr. Veale:

Thank you very much for the complimentary card to Callaway Gardens; my previous visits to Pine Mountain have been most enjoyable. Being an ardent golfer, I am looking forward to trying your course in the near future, and I am sure that my family will enjoy the swimming.

Again, many thanks. I sincerely appreciate your thoughtfulness.

Sincerely,

Dear General Knowles:

It's springtime at exquisite Callaway Gardens. The bluebirds and the cardinals are flashing through breeze-blown pink and purple azaleas.

And the happy sounds of merriment rise liltily from the cucumber-cool swimmers and the drowsy sunbathers lolling at sparkling Robin Lake Beach.

It's my privilege to be working now as director of public relations at the Gardens in Pine Mountain, where there really is "so much to do and see," as the signs say along the way.

Please visit us soon for an unforgettable moment of fun and sun, flowers and golf, fishing and good food in the gourmet style.

Come on down and listen to the towering pines sigh a whisper of calm contentment, singing a song of sheer ecstasy to the blossoms nestled beneath their boughs.

Sincerely,

Frank Veale
Director, Public Relations
