Dear Dick:

Thank you very much for taking time out of your busy schedule to return to Fort Sill and make the graduation address for the Field Artillery Advanced Course. Your remarks were most appropriate, and I hope the graduates retain the key points of your address as you ably demonstrated you have of other graduation speakers over the years.

Your support of the Field Artillery School on this occasion is most appreciated. I am sorry that you couldn't spend more time with us, but hopefully you can return in the near future and give us the opportunity to update you on our activities and show you Fort Sill.

With warm personal regards.

Sincerely,
