

Honorable John O. Marsh

Undated

House of Representatives

Dear Mr. Marsh:

Your interest in our activities at the U. S. Army John F. Kennedy Center for Military Assistance, Fort Bragg, North Carolina, is appreciated. General Flanagan already has written to you and Admiral Burke to arrange a mutually convenient date for a visit.

Admiral Burke will indeed make a significant contribution to the enlightenment of our young officers at Fort Bragg and I am delighted that you plan to accompany him.

Warm personal regards.
