Dear Sergeant Major
Headquarters, 1st Air Cav Div
APO San Francisco 96490

Dear Sergeant Major:

As you can well imagine, life in the Pentagon is hectic and different from that of the field. The problems in my area are the same as yours though less harassing or hectic.

One of my generals is redoing his decorations and I would appreciate your help in getting his Vietnamese decorations in order. The point in question is in regard to those decorations presented to the unit. Did your unit receive any VM decoration for the period Jul 65 through Feb 66?

I recognize that TAGO and the units are not yet in tune. It is for that reason that I come to you.

I appreciate your help and if there is anything I can do for you in Washington, don't hesitate to call upon me.

Sincerely,

FRED J. LEWIS
Sergeant Major
