Dear Dick:

It was good to hear from you. Many thanks for the very kind words. I appreciate your taking the time to write, busy as you must be with an organization that is the focus of so much national attention. We are following the trail-blazing effort with great interest, by means of such media as are available at this distance.

No word on the new assignment yet, but hope the startling good luck continues and that I can get with a division.

Best wishes to you and Barb from us both.

Sincerely,

Dear Bill:

Congratulations! We were delighted to see your name on the list for promotion to Brigadier General. The latest list on-firmed, once again, my faith in the system. The old SHAPE gang has done quite well on recent selections.

I trust your new assignment will be to your liking.

Barb joins me in sending you and your family our best wishes for continued success.

Sincerely,

RICHARD T. KNOWLES
