Dear Chuck:

Congratulations on your promotion.

Did you feel the same degree of excitement when you got it as you did when you heard of your selection?

I enjoyed seeing you and Steve in Washington. If you have an opportunity to visit Fort Benning, be sure to let us know so that we can get together.

Good luck in your new assignment.

Sincerely,

RICHARD T. KNOWLES

Dear Chuck:

I certainly appreciate your thoughtfulness in sending a congratulatory letter -- many thanks.

Congratulations to you, Chuck. I knew you and Steve would make the "list"; it was just a question of time. As far as I was concerned, it was like a bolt out of the blue, but I don't intend to turn it down.

I've been assigned to the 11th as one of the assistant division commanders. This news was almost as exciting as the first. Now all I have to do is figure out just what an ADC is supposed to do.

I trust that your next assignment will be to your liking. I'm looking forward to seeing you and Steve at the orientation. In the meantime, Barb joins me in sending you and your family our very best wishes.

Sincerely,

RICHARD T. KNOWLES

Dear Dick:

I certainly was glad to see your name on the list for recent nominations for Brigadier General. Certainly, SHAPE officers past and present did very well.

I hope that you receive an assignment to your liking. Steve and I will be coming to Washington for the orientation in March. Hope to see you there.

Best regards,
