Dear Dr. Taylor:

Thank you for your recent communication expressing your opposition to any increase in aid to Indochina.

I share your concern about the situation in South Vietnam and I have consistently supported efforts to reduce U.S. assistance to that country. I do not support President Ford's request for additional assistance for South Vietnam and I will oppose it if it is considered by the full House.

I appreciate being made aware of your views.

Yours very truly,

BROCK ADAMS, M. C.
