Dr. John W. Taylor
[REDACTED]

Dear Dr. Taylor:

You are requested to advise this local board of your intentions with regard to your physical examination. As you know, you were ordered to report for examination on 28 August 70.

To-date, our records indicate that you failed to report for your physical examination and that you did not apply for a transfer of that physical if you are residing in another state.

You have failed to return the current information questionnaires which were mailed to you on 1 July 1970 and 12 August 1970.

It is requested that you notify the local board of your current address, if and where you are serving your internship, and whether or not you intend to submit to a physical examination as part of your obligation under the Military Selective Service Act of 1967.

Very truly yours,

FOR THE LOCAL BOARD:

Elaine C. Cantalupo
