Dear Sir:

Reference is made to Delinquent Registrant Report of
Local Board No. 11, Baltimore, Maryland, dated April 4, 1972,
concerning the above captioned registrant.

In view of Dr. Taylor's voluntary service as a physician
in Vietnam which should excuse his military obligations, pro-
secution is hereby declined. 3

I am enclosing the cover sheet which was forwarded to
this office on August 4, 1972, regarding this case.

Very truly yours,

George Small
