We wanted to let you know about a very
sad thing that happened here this week.
Sinh hãm au lãt yuê mả giong pãng
bên tô peler Kè tãu? yuê Bìong husband
took an overdose of chloroquin the evening
of 3 - 5 - 74 and by the time he was
brought to the hospital, it was too
late to save him. The only reason we
know why he did this was that he had been
having some financial problems. We ^{are} ~~was~~
sorry to be writing with this bad news
but we thought you ^{needed} ~~should~~ want to
know.
