Dear Billy,

Thank you for your recent letter. The essays you sent will be featured in the July, 1988 issue of the NMVN. I found the essays very interesting, and think our readers will find them very appealing.

Your mini-reunion sounds GREAT! Some speakers whom you may want to consider are former Secretary of the Navy and author James Webb; any of the Medal of Honor recipients from Vietnam--some particularly good speakers are Ron Ray of Winter Haven, Florida, and BGen Patrick Brady who is now stationed in Virginia; or the Director and founder of the DAV Vietnam Memorial in Eagle Nest, NM, Dr. Victor Westphall (he built the chapel in honor of his son who was killed in Vietnam, and it has been designated a national memorial by the U.S. Congress). There are a few suggestions; I hope you find them helpful.

I have requested that the NMVN publisher send you information about advertising rates; you should hear from him soon.

Again, Billy, thanks so much for your letter. I really appreciate the stories, and it's a good feeling to know that our publication is reaching Vietnam veterans around the country. Please let me know if I can be of further assistance, and please feel free to submit articles about TET '68, Inc. activities.

Sincerely,

Sylvia Chavez Long
