Dear Bill:

Here is the copy of the dedication ceremony for the New Jersey Viet Nam Veterans Memorial on Sunday May 7, 1995.

I promised you that I would make it and send it to you when I was at the Reunion a couple weeks ago. I hope that you, and anyone else who watches it, get some enjoyment from it.

Also, can you please check your records for a fellow ASA'er who was at the Reunion and asked me about a baseball cap that I was wearing. His first name is Butch. Unfortunately, I don't remember his last name, but he was with the 1st Cav in Viet Nam. If it's not against your policies, can you give me his full name and address if you find it? Then I can write him and give him the name and address of the company that makes the hats. If you can't do this, then I'll give it to him next year at the Reunion.

I enjoyed the Reunion very much this year, as usual. It was a real honor and privilege to be able to meet Sammy Davis and his wife. He and his wife are special people to do what they do for other Viet Nam vets and I hope that you'll let them know how very much it meant to me especially and the rest of us too. Thanks.

I look forward to hearing from you in the future and seeing you at the Reunion next year.

Sincerely,

Jim Ritchie
