Reception

The Vietnam Veterans Memorial Bridge recognizes the service of Virginians, from all over the Commonwealth, to our nation in the Vietnam War.

During the 2000 session of the Virginia General Assembly, Delegate M. Kirkland Cox (Colonial Heights) introduced House Bill 897 that provided the legislative authority for the bridge naming. The bridge is a magnificent structure that can be seen from I-95 at the Chippenham Parkway exit, 10 miles south of Richmond. The bridge spans the James River, connecting Chippenham and Pocahontas parkways. It is the third longest span of its type in North America. The bridge dedication ceremony marks the official opening of the westbound lanes of the Pocahontas Parkway and the Vietnam Veterans Memorial Bridge.

The ceremony and bridge naming is a tribute to the 1,305 Virginians that made the ultimate sacrifice, the some 50 missing in action (MIAs) and the thousands of other Virginia veterans who served their country during the Vietnam War. These soldiers cannot be here with us today but are in our hearts and prayers at this dedication ceremony.

Rank abbreviations are from the 60s and 70s as extracted from that publication.

In Remembrance

As we gather to dedicate the Vietnam Veterans Memorial Bridge, let us not forget the Virginians who made the ultimate sacrifice in that war.
