Dear Colonel Keiser:

We acknowledge receipt of two boxes of your Institute's book on Col. John Ripley - The Bridge at Dong Ha. It was most generous of you to assist our scholarship efforts with these books. I enclose some information on our scholarship program as well as a recently mailed flyer showing Col. Ripley as one of our main speakers for February 1, 1992.

A copy of our IRS recognition as a 501(c)(19) organization is also enclosed. Many thanks for your support.

Sincerely yours,

William E. Kirkland
