## 1995 SCHOLARSHIP RULES

In order to be considered for a \$1,000 scholarship, the applicant must be a high school senior whose parent or step-parent is a Viet Nam veteran, write a short essay on "What is Freedom", and submit this for judging by a panel selected by the TET '68 Board.

All entries must be received by March 31, 1995. Only winning essay writers will be notified by phone by May 15, 1995 that they have won.

We will work with high schools in order to try and award the scholarships at school ceremonies. Since we do not know at this time how much funding will be available from our 1995 reunion, we cannot say how many scholarships will be given. However, you can be assured that we will give as many as possible.

Each application submitted must include the following:

1. A copy of parent's or step-parent's DD 214 showing Viet Nam service with Campaign Ribbon award.
2. Short essay on "What is Freedom" (500 word maximum) Essay must be typed and double spaced. It will be judged on originality and neatness. An original and three (3) copies, without author's name on the copies (we will code i.d them), are to be submitted. TET '68 owns the essay and can republish it. Winners agree to furnish us a photo for our scrapbook.
3. Provide a cover sheet which includes the following information: (a) applicant's full name, address and phone number; (b) name, address, and phone number of contact person at high school presently attending; (c) name, address, phone number of contact person at school where application has been made or will be for further training and education; and (d) a statement signed by the applicant that he or she will graduate from high school in May/June of the year of their application.
