# Meet where Washington met and began his march to victory...

## 1. Mission

Execute the most successful, productive and enjoyable reunion ever for your veterans or unit association!

## 2. Situation

No battles took place there, but nowhere else is the story of the suffering, sacrifice and ultimate triumph of spirit of the American Revolution better told than at **Valley Forge National Historical Park**. Meet where Washington met to train and rejuvenate his nearly defeated fledgling Continental Army. Explore **Philadelphia and Its Countryside's** wealth of some of the most significant historical sites of that era, from Independence Hall to battlefields to the rural farmhouses and colonial taverns where America's first army commander ate, slept and began a journey resulting in victory...and the birth of a nation.

## 3. Admin/Logistics

- Location** - Just 18 miles west of historic Philadelphia, midway between New York City and Washington, D.C., and easily accessible via Amtrak, Philadelphia International Airport and major interstate highways.
- Billets** - More than **52 hotels** with 7,300 rooms and facilities and services to accommodate every event and **every budget**. And parking's free everywhere in the Valley Forge area!
- Post-duty** - History's at the heart of the Valley Forge area, but you'll also find **great restaurants**, **beautiful gardens and arboreta**, **class art museums**, air shows, **recreation**, headliner **entertainment** and Las Vegas-style

d. Quartermaster - Shop **King of Prussia**, America's largest retail mall, and others...or outlet stores, quaint country villages and farmers' markets.

## 4. Friendly Forces

The Valley Forge Convention and Visitors Bureau has your back! Our troops will:

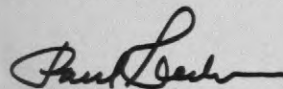

- Make your planning experience easy and problem-free.
- Link you up with the right hotel to fit your reunion group's budget and needs.
- Personally escort your site selection committee or planners on area reconnaissance (hotel inspections) patrols.
- Identify affordable transportation companies, scouts (guide services) and morale-building (entertainment) options.
- Provide intelligence documents (brochures, guides) for attendance-building and registration kits.

## 5. Adjacent Units

Some recent Valley Forge area reunions:  
17<sup>th</sup> Airborne Division Association  
Battleship New Jersey (BB-62)  
Aeromed Evacuation Association  
Stormy's 3<sup>rd</sup> Battalion 3rd Marines

## 6. Command Emphasis

I'm a Vietnam vet and member of a reunion Group, so I know what you're looking for and what you deserve for your next meeting. That's why I've assigned one of my best staff to work with you. Call Courtney Babcock today. You'll be glad you did. And that's a **request**...not an order!
