

Thank You

June 4, 2006

Dear Mr. William E. Kirkland-

I would like to thank you for choosing me to be a recipient of the Tet '68 Scholarship. To know that you find me worthy of such a generous gift is truly an honor. With this scholarship, my parents and myself will be able to fund the furthering of my education, something which is of utmost importance to both of us. Thank you again for your consideration.

Sincerely -

Daniel M. Payton
