Dear Veterans,

I wanted to express my sincere appreciation for my scholarship award; I am truly honored. It means a great deal to me, as well as my father, to be given such a gift from the Vietnam Veterans. My father and many other veterans dedicated their time and risked their lives and they are to be respected.

To all Vietnam Veterans: thank you for your time served, your efforts to preserve freedom all over the world and for giving me this great honor. These are things that I will remember for the rest of my life.

I plan to attend the University of Indianapolis in the fall of 2006 and major in Business. The award I received will help pay for my tuition. God bless you all.

Thank you,
