SUBJECT: Letter of Commendation

Warrant Officer Marvin D. McPherson

C Troop 7th Squadron 17th Cavalry  
1st Cavalry Division  
Fort Hood, Texas 76545

1. I wish to take this opportunity to express my gratitude and appreciation to you for what I consider a job "Exceptionally Well Done".
2. Your performance is indicative of a positive "Can Do" attitude which is in turn part of the traditional spirit of the "Heavy Cav". Because of your personal interest and concern the recent YAH-1Q/TOW missile test conducted by this unit in conjunction with MASSTERS was a complete success.
3. Once again I offer my thanks and heartiest commendation to you for your outstanding performance. I urge you to continue your outstanding efforts in the future and am certain that you will.
4. A copy of this correspondence will be forwarded to your personnel records.
