Documents regarding the nomination process and recommendations is on file at NARA in College Park, MD. You pretty much have to go there personally and dig...and dig. Good luck and I'll watch for your general orders to arrive.

Thanks Doug,
When I get to my office I'll find both citations from the "good old days" and forward to you. I was told by my platoon leader that I was nominated for the MOH but was reduced to Silver Star, would you have any access to that nomination ?

Regards,
Barry McAlpine

Barry,

I received a response back from NPRC verifying one Silver Star but it did not include any citations/general orders. Can you please send me copies of the orders for both awards. I will also Re-FOIA to verify the second award.

Thank you.

*Sincerely,
Doug*

GENERAL ORDERS
NUMBER 5158

4 September 1967

AWARD OF THE SILVER STAR

1. TC 320. The following AWARD is announced.

MC ALPINE, BARRY L. US55828485 SERGEANT E-5 United States Army
Troop B, 1st Squadron, 9th Cavalry

Awarded: Silver Star

Date action: 27 May 1967

Theater: Republic of Vietnam

Reason: For gallantry in action: Sergeant McAlpine distinguished himself by exceptionally valorous action on 27 May 1967, while serving as a fire team leader with Troop B, 1st Squadron, 9th Cavalry during a reconnaissance mission near Duc Pho, Republic of Vietnam. When his platoon made heavy contact with a well-entrenched, reinforced Viet Cong company, two serious casualties were sustained and the platoon was forced to withdraw into a tight defensive perimeter. When the unit's ammunition supply ran low and the water supply had been totally consumed, an urgent call for resupply was answered, however, the aircraft was downed by enemy fire outside the friendly perimeter. Without waiting for instructions, Sergeant McAlpine left his position of safety and went to the crash site to aid the downed crewmembers. Despite intense enemy automatic weapons fire, Sergeant McAlpine arrived at the aircraft, freed the wounded pilot and carried him to safety. His selfless and courageous action unquestionably saved the life of one crewmember and prevented more serious injury to four other soldiers. Sergeant McAlpine's display of personal bravery and concern for the welfare of his fellow soldiers is in keeping with the highest traditions of the military service, and reflects great credit upon himself, his unit, and the United States Army.

Authority: By direction of the President, under the provisions of the Act of Congress, approved 9 July 1918, and USARV Message 16695, dated 1 July 1966.
