

Merry Christmas

*The most meaningful
part of Christmas
is the part
that's too often
overlooked —
its beautiful simplicity.*

*W*ishing you
a simply beautiful
Christmas
and a very happy
new year.

*"Merry Christmas,"
to you and your
family.*

*Thank you for being
so nice to Mike & I.
Everything was greatly
appreciated. Our trip
to Fred Hood will never
be forgotten.*

*Love,
Martha
&
Mike*
