

STEVE, HERE IS ANOTHER DAT, IF YOU  
NEED MORE DETAILS WRITE MIKE OR BOB

Dear Mr. Mike Law,

DEC - 7 1992

3 Dec. 92 <sup>THX, MJK</sup>

I just received my life member's packet  
& I am well pleased. I have yet to receive  
my 92 Member Directory which incidently  
was responsible for ~~Bob~~ locating me  
after 23 years. (Because of this renewal  
of friendships, I was able to become  
employed again after a year of being  
unemployed.) Please send me mine  
if that might be possible. Bob & I were  
together along with my Dad; Mike Sr.  
Durstoff 88 also. Bob brought me up to  
speed on a lot of folks I haven't seen  
in many years. He let me know that our  
mutual friend Rex Smith (woi) with us in  
V.N. had passed away several months ago  
with heart problems. Rex was one of my  
first A.C.s when I arrived in V.N. He worked  
on the ABC coaxial rotor program  
in south Florida. I wish I could have  
talked to him before his passing. He was

only about 44. We will all miss him.  
You will also find my bio. I know  
that it is late, but if at all possible,  
could you please include my "bio." in the  
50th anniversary books.

Thanks,

Michael J. Novak Jr.

Mike,

He was not current during 1992.  
However, he did pay \$450 for  
life membership.
