

Dear Mr. Konek:

This is in response to your letter of April 9, 1991, requesting copies of insignia worn by members of the aviation units who served in the Vietnam War.

Enclosed is a list of references on heraldic items which includes the book Vietnam Order of Battle by Shelby L. Stanton that may be available at your local library, or obtained through the interlibrary loan service. This book contains color illustrations of insignia worn by the Armed Forces in Vietnam.

In the event you do not find the information you need from the enclosed references, copies of authorization letters and illustrations are available from this Institute. We are required to charge for materials and clerical services for requests which are of a personal nature rather than official. A Statement of Charges is enclosed for your information. The information you are requesting would be approximately 75 to 100 pages. Since the applicable fee would exceed \$20.00, the requested material would be forwarded upon receipt of your check or money order.

Sincerely,

Gerald T. Luchino
Acting Director
