

Dear Bill:

Received a letter dated 2/16/93 from J. Craig Honaman regarding information about VHPA members who served in "Dustoff" units in Vietnam.

Enclosed are copies of my Army biography and a couple of award citations. Hopefully, this will assist you in your task.

Best of Luck!

Sincerely,

A handwritten signature in black ink, appearing to read "Bud" with a long horizontal line extending to the right.

Bud Bowen
