

Dear Sir:

I would like to pass on to your association a list of names that flew for the 50th Med. Det. and Eagle Dustoff during the Vietnam war. I am still compiling information on these units and hope to have current addresses on everyone as time goes on.

I was a crew chief with Eagle Dustoff from September 1968 to May 1969. Our unit supported the 101st Airborne Division and we flew out of Camp Eagle, LZ Sally, and Camp Evans.

I would like to purchase a copy of the Pilots Association membership directory and I understand it costs \$12.00. I hope this list may help in some way.

Thank you.
