

VIETNAM HELICOPTER PILOTS ASSOCIATION

7 West Seventh Street, Suite 1990
Cincinnati, Ohio 45202 (513) 721-VHPA

Dear George,

Thanks so much for your large mailer full of Vietnam Era orders. These are exactly what we are very, very interested in!! If I read between the lines in your note on the yellow post-em, you seem uncertain if copies of these orders are important to the VHPA or not. Let me remove all uncertainty -- THEY ARE IMPORTANT TO US.

If you have more that you'd care to send please send them directly to our Historical Committee Chairman, Bill Greenhalgh, at 603 Oak Park Dr., Round Rock, TX 78681 or to VHPA Headquarters ATTN: Bill Greenhalgh.

Also thanks again for your recent Newsletter and marking the new pilots. I worked that Newsletter again the VHPA database and found 5 new pilots. I also appreciated the data on the one KIA and the one guy who died after Vietnam.

I am 50% certain I can attend part of your 114th Reunion. I'd just like to come and see how a good organization is run and to explore ways for the VHPA to encourage your association (and others like yours) to co-locate Reunions in the future.

I think I was going to look for you at AAAA. I would have been there but my flight was canceled and the first one on the next day wouldn't get me there in time to do what I needed; so I had to quit the whole trip. I really like AAAA and am sad to have missed it.

Finally, I see your second tour was with the 25th AVN BN 25 INF. What company(ies) did you serve with? The 1993 VHPA Directory will have an index down to the company level and we want you (and everyone else) listed as accurately as possible.

Good luck. Looking forward to shaking your hand in Phoenix this summer.
