

Dear Gentlemen:

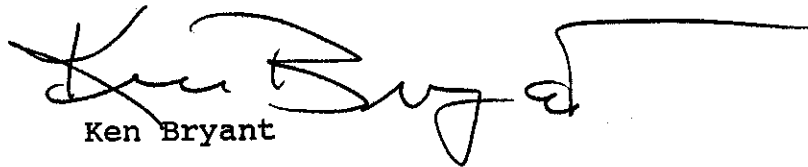

Recently I was reading a Pacific STARS AND STRIPES and came across an article provided by your organization. Unfortunately, I was not previously aware of its existence. You can't imagine my surprise when I recognized several of the individuals shown in the accompanying photograph. This was especially unnerving when one of the individuals was yours truly. I, like many others, have lost contact with absolutely all of the outstanding young men with whom I attended flight school.

I would appreciate any available information you have available concerning the VHPA. Specifically, I would like to regain some of the lost years with those brothers of by-gone days.

OK

Again, I am looking forward to hearing from you.

Sincerely
