

Dear Bill,

13th March 1992

Thank you for your letter of 11th February, I hope you are well.

I enclose some stuff that may be of interest to you. It lists the deployment dates etc of units arriving in Vietnam from 1961 to 1967.

I will be writing to the Naval Institute Press next week to try to get them to send a copy of my book to you for the VHPA Archives. Maybe you could put in a good word for me on the subject of my receiving the 1991 directory (or indeed future directories).

Have to go. Got to pick the kids up from school.

All the best,
