

Larry:

The last newsletter was very interesting and enjoyable. Keep up the great work keeping our special group of veterans together.

I have enclosed some information you may find useful in gaining additional members. The information regards Officer Rotary wing Aviator Class 68-516 and Warrant Officer Rotary Wing Aviator Class 68-515 (graduation 22 Oct 68).

As I come across additional information, I will be back in contact with you. If needed, I have Operator's Manuals for the UH-1A,B,C,D,H,E to include gunnery systems and gunnery tactics as used during the Vietnam Era.

For your information, an additional KIA needs to be added to your list. Cpt. Thomas Campbell, 192nd A.H.C., Aircraft Commander flying with WO John ^WP. Wright (already listed)/ 69/10/28.

I will look forward to your next newsletter.

Very truly yours,

John P. Biddar
