

Dear Mr Turner

As the River Rat General Secretary, it is my pleasure to formally thank Turner Publishing for the generous \$1248.75 donation to our scholarship fund. We had another great year for "Our Kids" and I'm very pleased to tell you that we granted 42 scholarships totaling \$80,000.00. This brings our total since 1970 to 553 grants totaling over \$587,000.00. Not too bad You can be proud to have helped and we look forward to your continued support.

All the River Rats and especially "Our Kids" thank you.

For your planning purposes the '91 Reunion will be in San Antonio and in '92, which is the 25th Anniversary of the Rats will be held in Las Vegas. Both will be in the spring. Hope you can join us.

Sincerely,

Jack Redmond
General Secretary

PS. I love My Bock!
