

Re: VHPA 7/17 CAV

Dear Mike:

I believe that ^{T.} Dudley Carver is deceased, at least that is what I've been told.

A Troop Operations officers were:

✓ MAJ Robert A. Inglett 1967 - 13 Jan 68

✓ CPT Phil A. Saunders 13 Jan 68 - 24 Apr 68

Jan. 1968 ILT Dick McCleny was the pilot on the LOH that SP4 Puishis was killed and SGT John Davenport was the observer. Both McCleny and Davenport were wounded and evacuated.

Feb. 1968 ILT Jim Sapp was the pilot on the LOH that SP5 McCloyn was killed and SGT Dennis Carlin was observer. SGT Carlin was seriously wounded and evacuated.

May 1968 SGT Henry Jackson was seriously burned in the LOH that CW2 Douglas Walker died. SGT Jackson was evacuated for his burns and later died in a VA Hospital.

Walkers was ILT James F. Cully's wing man the day he was killed. ILT Cully landed in a bomb crater and was promptly shot in the heel and Cully was evacuated.

Mike, I've written up a story about the TET Offensive from an A Troop Scout Pilot's prospective. I've enclosed a copy for your use and a copy of A Troops personnel roster dated July 27, 1967, and S091 DTD 12 Apr 67 for class 67-6 ORWAC.
