1. Ran across your name in the guest book of Company C, 1-185th Aviation.
2. I am doing research on Army Aviation Medical Units and wish to find anyone who served with:
 - a. The 57th Medical Detachment (Helicopter Ambulance) unit located at Ft Sam Houston Texas at any time between November 1955 and October 1957.
 - b. The 82nd Medical Detachment (Helicopter Ambulance) unit located at Ft Sam Houston Texas at any time between November 1957 and February 1959.
 - c. The 274th Medical Detachment (Helicopter Ambulance) unit located at Nellington, Germany any time between February 1958 and November 1960.
 - d. Headquarters, 67th Medical Group, Brook Army Medical Center/Ft Sam Houston Texas at any time between June 1961 and January 1963.
 - e. The 377th Medical Company (Air Ambulance) in Korea any time during 1963.
3. Copies of unit rosters, assignment orders, newsletters, public affairs/press releases or other such information for the above units/time periods also would be helpful.
4. Hope you can help; thank you in advance for your assistance.
