

Dear John;

Your interesting letter of 24 February has been received. Indeed, you write a good letter and are pursuing a worthy project.

I do not have maps of Vietnam of the size you want. Other source which you could write would be: The Office of Military History, Department of the Army, Washington, D. C. 20374-5088.

Indeed, you have served with several very worthy units and I congratulate you.

Best wishes,

Sincerely,

A handwritten signature in dark ink, appearing to read "W. C. Westmoreland". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
