

1 November 1994

Dear Executive Council & Membership Chairman,

Here is my monthly report on membership.

Total VHPA members, life members, and total friends continue their slow steady growth. Members current with their dues continues to drop off this month, which is NOT typical for this time of year. Is it because Sheila was out part of the month? Someone should investigate. If there is no logical reason, then it is time to worry.

After working for about two years to find the Gold Book in electronic form, we have finally received a copy from the Redstone Arsenal in Huntsville, AL. That is the good news. The bad news is that most of it is not usable for some reason. More on this when we discover why.
