

5 January 1994

Dear Executive Council & Membership Chairman,

Here is my monthly report on membership.

Happy New Year!!

This is the first report that has dropped 1989 and added 1994.

There is nothing earth shattering here. We continue to rely on new members for maintaining revenue and there are 23 members that did not renew their dues.

Going through several hundred thousand records in preparation for the first Historical Reference Directory that Mike Law and I are working on, I found another KIA. We are making good progress on this new project.
