

Dear VHPA Member:

The anniversary date of your VHPA Membership passed without a renewal from you. I don't want to sound like a magazine publisher whose subscription you've decided not to renew, but I would appreciate knowing your opinion of the association and thoughts that led to your decision to discontinue membership.

In 10 years we have had phenomenal growth, compiled an impressive data base involving almost every aspect of Vietnam helicopter pilots; their aircraft, their units, much of their history, flight classes, and their casualties. In addition, we publish a comprehensive Membership Directory annually, six Newsletters a year and sponsor a Reunion that gets more massive, memorable and meaningful each year.

We are extremely interested in your views, particularly those involving areas which led to your decision not to renew membership in the VHPA. If you would be so kind to fill out the short questionnaire printed on the back side of this letter and return it to us in the postage paid envelope, I would appreciate it. Please know that responses to our last two questionnaires led to several positive changes in the association. As a little gift, I am enclosing the newest VHPA bumper sticker. As a Vietnam Helicopter Pilot, you have a lot to be proud of. This bumper sticker will enable you to display it.

Thanks,

  
Jack Glennon  
Membership Chairman

## MEMBERSHIP QUESTIONNAIRE

This questionnaire is designed to determine specifically why someone would choose NOT to renew his VHPA membership. The categories listed below are only ideas from the Membership Committee. Please indicate if one or more apply to you. Feel free to add any comments you deem appropriate. Constructive criticism is always welcome.

Oops! I forgot to renew-enclosed is my \$30 annual dues. Please include me in the Newsletter and Directory mailings.

Please charge my Master Card/Visa/Discover

Enclosed is a check/money order payable to VHPA

Credit Card No.: \_\_\_\_\_ Expiration date: \_\_\_\_\_

The annual dues are more than I want to spend.

I don't feel the benefits that I receive from the VHPA are worth the \$30 a year.

I have no real interest in what the VHPA offers.

After becoming a member of the VHPA, I was disappointed in  the \_\_\_\_\_ Reunion,  the 199<sub>2</sub> Directory,  the \_\_\_\_\_ issue of the Newsletter.

Any comments you'd like to include about the above questions \_\_\_\_\_

Any suggestions you have for the VHPA \_\_\_\_\_
